S.E. RAILWAY INTER COLLEGE, SINI

FROM THE PRINCIPAL'S DESK .....

I am extremely glad to relate to you the glory of this school which was established in the year 1931 under the aegis of Indian Railways to cater to the educational needs of the railway employees' wards working in Sini. It is now running full-fledged with students from all quarters (Non railway too) who come from even the remotest parts of SINI.

Ours is a CBSE affiliated plus two school and it runs in one shift. It has all the facilities and amenities required for the all-round development of the children. With the introduction of Smart classes, learning has become more fun. This institution's main motive has been to bring out the hidden talent of the children, be it sports, dance, music or academics.

With pleasure, I wish to state that the students who have passed out from this school have excelled in all spheres of life. Some have achieved milestones in the sports field, while few others in the administrative field.

The focus of the school has been to make students independent through activities that make them absorb their energies.

I wish you all success for this academic year, RISE, SHINE AND PROSPER!
